

Wellington District Theatre Federation Box 22 249, Wellington

DIRECTOR'S TRAVEL ASSISTANCE

To assist theatre groups who invite Directors or Musical Directors from outside their area to direct a production, Wellington District Theatre Federation is offering financial assistance towards their travel costs.

A travel grant of \$100 will be made when directors have to travel 15 kilometres or more each way to rehearsal for a production of a theatre group that is a member of Wellington Theatre Federation.

Theatre groups may apply once a year and payment will be made at the start of the production direct to the director.

Apply on the form below and submit together with a budget for the production showing provision for help with the director's travel from the society, to the address above FIVE weeks prior to the opening night of the production.

Acknowledgement of this assistance is to be made in the programme.
